- July/August, 2018 – No Meetings

Upcoming MCCMC Legislative Committee Meetings:

- July – No meeting
- Monday, August, 27, 2018, at 8 A.M.

G. ADJOURN

ACTION ITEMS

[AB 2249, as amended, Cooley. Public contracts: local agencies: alternative procedure.](#)

The Uniform Public Construction Cost Accounting Act authorizes a public agency, whose governing board has by resolution elected, to become subject to uniform construction cost accounting procedures. Existing law declares that these procedures promote statewide uniformity of the cost accounting standards and bidding procedures on construction work performed or contracted by public entities. The act defines “public agency” as a city, county, city and county, including chartered cities and chartered counties, any special district, and any other agency of the state for the local performance of governmental or proprietary functions within limited boundaries, and also includes a nonprofit transit corporation wholly owned by a public agency and formed to carry out the purposes of the public agency. The act authorizes public projects of \$45,000 or less to be performed by the employees of a public agency, authorizes public projects of \$175,000 or less to be let to contract by informal procedures, and requires public projects of more than \$175,000 to be let to contract by formal bidding procedures. The act permits the governing body of a public agency, in the event all bids received for the performance of that public project are in excess of \$175,000, to award the contract at \$187,500 or less to the lowest responsible bidder if it determines the cost estimate of the public agency was reasonable.

This bill would instead authorize public projects of \$60,000 or less to be performed by the employees of a public agency, authorize public projects of \$200,000 or less to be let to contract by informal procedures, and require public projects of more than \$200,000 to be let to contract by formal bidding procedures. The bill would permit the governing body of a public agency, in the event all bids received for the performance of that public project are in excess of \$200,000, to award the contract at \$212,500 or less to the lowest responsible bidder if it determines the cost estimate of the public agency was reasonable.

The act creates the California Uniform Construction Cost Accounting Commission. The commission is required to consider whether there have been material changes in public construction costs and to make recommendations to the Controller regarding adjustments in the monetary limits described above that determine which bidding procedures shall apply to public projects. The act requires any adjustment to be effective beginning with the fiscal year which commences not less than 60 days following the Controller’s notification of the adjustment to all public agencies.

This bill would, instead, require the Controller to notify only the participating public agencies of the adjustment prior to the adjustment taking effect.

- **League Position:** Support

[AB 2806, as amended, Obernolte. Vehicles: disabled parking. Vehicles: electric charging station violations: exceptions.](#)

Existing law authorizes a local authority that owns or operates, or a person who possesses, an offstreet parking facility to designate stalls or spaces in the offstreet parking facility for the exclusive purpose of charging and parking a vehicle that is connected for electric charging purposes. Existing law authorizes a local authority to designate stalls or spaces on a public street within its jurisdiction for the exclusive purpose of charging and parking a vehicle that is connected for electric charging purposes. Existing law also authorizes the removal of a vehicle from an electric charging space at an offstreet parking facility or public street if the vehicle is not connected for electric charging purposes.

This bill would create an exception to the provisions authorizing removal of a vehicle from an electric charging space on a public street if the vehicle is not connected for electric charging purposes for a vehicle displaying either a disabled license plate or a disabled placard.

- **League Position:** Oppose

LEGISLATIVE CALENDAR

- April 27, 2018 – Last day for policy committees to hear and report to fiscal committees fiscal bills introduced in their house (J.R. 61(b)(5))
- May 11, 2018 – Last Day for policy committees to hear and report to the floor nonfiscal bills introduced in their house (J.R. 61(b)(6))
